**Subject:** Re: Amicus--Request for Consent

I tried to send an earlier e-mail, around 6 PM or so. Apparently it did not go through.

Defendants will consent to a waiver of page limits, with the expectation they would need similar consent from Amicus.

If this relates to filing dispositive motions, I suggest we see about setting a briefing schedule with the Court.

Best regards,

Pete

**Subject:** Amicus--Request for Consent

Pete,

Would Defendants consent to Plaintiff filing a memorandum in support in excess of the 20 page limit? We would consent to Defendants' request for the same if needed.

Thanks,  
Aneca
